## **Peoples Health Medicare Advantage Patriot No Rx LA** HMO-POS

H1961-026-000

This plan is available statewide.

# We have a plan for you!

Peoples Health is the choice of more than 150,000 people with Medicare in Louisiana. Founded in 1994 by medical providers and physicians, we focus on one thing: helping people with Medicare enjoy the best health possible.

Peoples Health has a long history of caring, compassionate, one-on-one service for our plan members. That commitment remains.

## Peoples Health plan types

**Peoples Health HMO-POS** (Health Maintenance Organization) plans feature coordinated care through our extensive network of providers. Most of these plans include Part D drug coverage.

**Peoples Health HMO-POS C-SNPs** (Health Maintenance Organization Chronic Condition Special Needs Plans) are designed for people with diabetes, chronic heart failure or a cardiovascular disorder. Some benefits and services are tailored to support these conditions.

### The following plan types are covered in separate booklets:

**Peoples Health HMO-POS D-SNPs** (Health Maintenance Organization Dual-Eligible Special Needs Plans) are available to people who have both Medicare and Medicaid. If you have both Medicare and medical assistance from the state, you may be eligible for one of these plans.

Point-of-service (POS) option allows out-of-network dental services. Those out-of-network services may have a higher cost to members.

# Peoples Health + UnitedHealthcare

Since joining the UnitedHealthcare family, we've been able to expand many benefits and services. Members of the Peoples Health plans in this booklet can enjoy:

**UCard**—Most Peoples Health plans offer a credit for purchasing over-the-counter (OTC) products. If your plan offers this credit, it will be loaded onto your UnitedHealthcare UCard® for covered OTC. Shop in-store or online for pain relievers, cold remedies, vitamins and more, and pay with your UCard. Qualifying members in a Chronic Condition Special Needs Plan (C-SNP) can also use the credit to pay for covered healthy foods.

**UnitedHealth Passport® program**—Through the Passport program, you can access plan-covered services while traveling outside your plan service area in the United States. The Passport program lets you access covered services at in-network costs from participating providers in the Passport service area.

Still, the best part is this: As a Peoples Health plan member, you enjoy the quality that comes from people who really care. Peoples Health is a company born and raised in Louisiana, and our members have been our neighbors, our friends and our family. It's simple. We want you to enjoy the best health possible.

## Compare Key Benefits

Choose the plan that fits your needs.

\*Some network services, like visits to specialists, require a referral from the member's primary care provider (PCP) to be covered. PCP choice can impact the specialists and hospitals the member will be able to see. \*Office visit copay may apply.

\*Emergency care copay waived if admitted to inpatient hospital care within 24 hours for the same condition.

If you have a limited income, you may be eligible for Medicare's Extra Help program. It could lower your costs for prescription drugs. Ask us about eligibility.

<sup>¶</sup>Members must meet eligibility requirements to spend the credit on healthy food.

<sup>§</sup>Service periodicity limitations may apply. Member costs may be higher for out-of-network dental services.

Plans are insured through UnitedHealthcare Insurance Company or one of its affiliated companies, a Medicare Advantage organization with a Medicare contract. Enrollment in the plan depends on the plan's contract renewal with Medicare. Benefits, features and/or devices may vary by plan/area. Limitations, exclusions and/or network restrictions may apply. OTC and food benefits have expiration timeframes. Review your Evidence of Coverage (EOC) for more information. For Peoples Health Complete Care LA-5 (HMO-POS C-SNP): The healthy food benefit is a special supplemental benefit available only to chronically ill enrollees with a qualifying condition, such as diabetes, chronic heart failure and/or cardiovascular disorders, who also meet plan criteria indicating they are at high risk for hospitalization and eligible for intensive care coordination. This information is not intended to imply the recipient has a specific condition or disease nor requires a particular medical test or procedure. You must be a member of a plan that offers the UnitedHealth Passport® program in order to participate. Please check your Evidence of Coverage or look for UnitedHealth Passport on your member ID card to ensure your plan has Passport. All copayments or coinsurance, the annual out-of-pocket maximum and any benefit limits that apply to your coverage under your plan's Evidence of Coverage also apply to covered services received under UnitedHealth Passport®. The provider network may change at any time. You'll pay \$0 for Tier 1 and Tier 2 Part D-covered prescriptions across all payment stages when filling at a network pharmacy. Review your plan Drug List (Formulary) on UHC.com/Medicare for a list of covered prescription drugs, including those on Tier 1 and Tier 2. Y0066\_27PHAgentQG\_C6501\_MAGLA4\_CCLA5\_MAPNORXLA\_M 09/26
